

**NOVEMBER 2009**

Instructions: Next to your child's student number you will find the time and day of your conference. Please feel free to reschedule if necessary. Parents may swap times if they wish but be sure to notify Mr. Green. I am happy to meet with parents after 8:25 am on non-conference or conference days if that is more convenient for you. Please remember to bring your child with you to conference. Return the bottom portion of this schedule to school. A CONFIRMATION means I discussed this with you or you have sent a note or email to school confirming your time. Please let me know if I have forgotten you or you have been mistakenly confirmed.
